

WATER TREATMENT & PURIFICATION EQUIPMENT CAPABILITIES

Fresh Water Generators

- Heat Recovery Evaporators (Distilling Plants)
- Seawater Reverse Osmosis Systems (SWRO)

Other Water Treatment & Water Handling Equipment

- High Purity Reverse Osmosis Systems (HPRO)
- Advanced Filtration Technology
- Demineralizer Systems
- Pump/Motor Assemblies
- Pre & Post Treatment Systems- Strainers, Filters, Brominators, UV Sterilizers, Chemical Pre & Post Treatment

Other Equipment

- Electronics Cooling System
- Resilient Mount Snubbers
- Heat Exchangers
- Custom Piping Assemblies & Machined Parts
- Engineered Components
- Reverse Engineering
